

PA02 NOAH

BETT / BED

DESIGN: PHILIPPE ALLAYES, 2001

Das Bett NOAH ist ein beeindruckendes Objekt, das besonders durch seinen Rahmen besticht, der als Ablagefläche dienen kann. Der schwebende Charakter des NOAH steht in einem interessanten Kontrast zu der ansonsten massiven Materialität. /

The bed NOAH with its architectural form is especially compelling due to the extended frame on both sides that can also act as a shelf. The floating character of NOAH stands in an interesting contrast to the solid wood material.
